

Section NE-6A Rules 2017-2018

Approved by the Council of Chiefs October 14, 2017

#1 Delegation Quotas

The lodges of Section NE-6A are responsible for filling the full delegation to which they agree when the delegation quotas for a Section Conclave are approved by the Council of Chiefs. Should a lodge be unable to fill the delegation, it is still financially responsible for the full delegation quota. Transferring quota numbers between lodges is permissible if approved by the section chief.

#2 Conclave Supplies

The lodges of Section NE-6A are responsible for purchasing any remaining Conclave patches, pins, mugs, shirts, etc. The prices for the remaining supplies will be halfway between the manufacture cost and the retail price as set by the Council of Chiefs. The amount assigned to each lodge will be in proportion to conclave participation.

#3 Trading Post

The service lodge shall provide the staffing and resources for the trading post at the conclave. Conclave/Section items will be sold with the proceeds going to the conclave budget ultimately to the section. Service lodge items (flaps, pins, mugs, etc.) may be sold, with the proceeds going to the service lodge. Local council/camp items (camp patches, handbooks...) may be sold, with the proceeds going to the local council. Visiting lodges may bring items to be sold in the trading post on consignment, but only after approval for each item and its price at the spring council of chiefs meeting. The service lodge is responsible for maintaining records of sales and disbursement of proceeds. The conclave trading post shall be the only authorized location for the sale of items at the conclave unless the Council of Chiefs grants an explicit and specific exemption authorizing an additional sales location.
